TINNEY QUESTIONS THE COMPETENCE OF ALLEN DULLES & THE CIA

Cal Tinney Sees at 6:15 P. M. over KCOP TV (Los Angeles):

CAL TINNEY WAS SEEN SEATED IN MEDIUM CLOSEUP.

"In the twenty seconds I've got left I just want to call attention to the fact that we have, as Fulton Lewis, Jr., says in today's Examiner, been caught flat-footed as far as knowing what's going on in hot spots ... as in the Middle East here when this Iraqi series of assassinations took place without any warning and in Venezuela.

"I just want to raise the question. Allen Dulles heads up our Central Intelligence Agency and he is, as we know, a brother of John Foster Dulles. Is it going to mean that to get a competent ... a competent spy system, we're going to have to get rid of Allen and brother John Foster, both?"
